ABOUT US

The 2nd Global Congress on Cardiology, Diabetes & Endocrinology(CDE2026) offers a premier international platform to explore the most recent innovations, clinicaladvancements, and research breakthroughs across the fields of cardiology, diabetes, and endocrine sciences. This global event provides an exceptional opportunity to attend expert-led presentations delivered by renowned specialists, researchers, and healthcare professionals from all over the world. CDE 2026 promotes global networking and knowledge exchange, encouraging collaboration, research partnerships, and the sharing of transformative ideas that contribute to improved patient care and better standards of living. The congress also brings a unique sponsorship and advertising opportunity for organizations aiming to showcase their solutions and innovations to a highly focused scientific community. We proudly bring together dedicated professionals with a shared mission — to build a collaborative platform that turns scientific experiences, experiments, and discoveries into real-world medical advancements. The exchange of ideas at this congress leads to the evolution of powerful solutions, shaping the future of healthcare through science, technology, and clinical innovation. At CDE 2026, experts from diverse specialties will engage in insightful discussions that span across cardiovascular health, metabolic disorders, endocrine research, and more — contributing to the global advancement of medical science and human well-being. This congress aims to become a valuable resource for emerging trends, innovative treatment strategies, research challenges, and their solutions, ultimately enhancing the core of the medical and scientific community.

Join us in Singapore!
Witness influential minds present groundbreaking research at the 2nd Global Congress on Cardiology, Diabetes & Endocrinology through a well-structured scientific program designed for impactful knowledge sharing

- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
 - B2B meetings.
- Perfect platform for Global Networking

HYBRID CONFERENCE

About Conference

With the remarkable success of previous global events in the fields of cardiology, diabetes, and endocrinology, we are pleased to announce the “2nd Global Congress on Cardiology, Diabetes & Endocrinology”, scheduled for March 27–28, 2026, in Singapore City, Singapore. The theme of the congress is: “Unlocking the Code of Better Living” Building upon the impactful achievements of CDE 2025, this upcoming congress aims to bring together experts dedicated to advancing cardiovascular health, diabetes management, and endocrine research. We warmly welcome cardiologists, diabetologists, endocrinologists, clinical researchers, healthcare professionals, physicians, nutritionists, pharmacologists, medical scholars, and industry innovators from around the world. This international gathering will serve as a powerful platform for sharing innovative research ideas, clinical practices, and technological advancements, fostering collaborations that contribute to better patient outcomes and healthier living solutions. Join us in the dynamic and multicultural city of Singapore, a global hub renowned for excellence in healthcare, science, and technology. Be a part of the movement to advance global health! Join us at GCDE 2026 and witness inspiring insights from world-leading experts.

CONFERENCE HIGHLIGHTS

- Lectures by the active investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Diabetes and affiliates

TARGET AUDIENCE

- Diabetologist
- Endocrinologist
- Global researchers of Diabetes
- Associate professors of General Medicine, societies and association
- General Physician
- Business Professionals
- Business Delegates
- Research Scholars
- Fertility specialist
- Paediatrician
- Internal Medicine specialist
- Family Medicine specialist
- Healthcare Nutritionist and Dietician
- Resident Doctors
- Product & Device Manufactures

SESSION HIGHLIGHTS

- **Diabetes Mellitus & Research**
- **Endocrine Gland and Disorders**
- **Types of Diabetes**
- **Diabetes Symptoms and Complications**
- **Nursing care and Management on Diabetes**
- **Endocrine and Hormonal imbalance**
- **Diabetic clinical care and Prevention**
- **Obesity and Metabolism for Diabetes**
- **Reproductive Endocrinology & Infertility**
- **Pediatric Endocrinology**
- **Pituitary and Neuroendocrinology**
- **Diabetic Retinopathy**
- **Treatment and therapies on Diabetes**
- **Pancreatitis and Role of insulin**
- **Cardiovascular risk on diabetes**
- **Clinical Endocrinology**
- **Advances and Latest trends on diabetic research**
- **COVID19 and Diabetes**
- **Genetics of Diabetes**
- **Thyroid Disorders**
- **Diabetic Nephropathy**
- **Business and Medical devices research on Diabetes**
- **Endocrine surgery**
- **Diabetic foot**
- **Steroid Hormones and Receptors**

About Venue

Singapore City, Singapore

As one of Asia's most vibrant and forward-thinking global cities, Singapore offers an exceptional experience that attracts visitors from across the world. Strategically located at the crossroads of Southeast Asia, Singapore serves as a major international hub, making it easily accessible from any part of the globe. Its outstanding hospitality, advanced infrastructure, and world-class conference facilities make it an ideal destination for prestigious global events.

We are delighted to host the 2nd Global Congress on Cardiology, Diabetes & Endocrinology (**GCDE 2026**) in the remarkable city of Singapore. Renowned for its stunning skyline, multicultural charm, and commitment to innovation, Singapore provides a perfect setting for our scientific gathering. The city's harmonious blend of cutting-edge modernity and rich cultural heritage offers a unique and inspiring environment for all attendees. Singapore stands out as a global leader in healthcare excellence, sustainability, technology, and education. From iconic landmarks like Marina Bay Sands and Gardens by the Bay to its diverse culinary scene and scenic waterfront attractions, the city offers both intellectual enrichment and leisure opportunities for participants. We warmly invite you to join us in Singapore for (**GCDE 2026**), where you can experience this dynamic city while engaging in meaningful discussions, learning from world experts, and building valuable professional networks. Singapore's unique mix of innovation, culture, and superb hospitality promises an unforgettable conference experience. We look forward to welcoming you to Singapore!
