About Organization

## PRESENT YOUR RESEARCH TO THE GLOBAL PHARMA COMMUNITY (PHARMA WORLD 2026)

Precision Pipelines: Driving High-  
Conversion Digital Strategies for  
Pharma

### Who we are

We are a global event and conference organizing company dedicated to excellence in scientific and academic event management. With headquarters in India and an expanding international presence, we have grown into a trusted brand known for professionalism, innovation, and impact. Vartus Group serves as a catalyst for collaboration, enabling participants to engage with diverse experts from universities, industries, research institutes, and healthcare organizations across the world.

### What We Do

At Vartus Group, we conceptualize, design, and execute international conferences, congresses, meetings, and workshops that bring together thought leaders, innovators, and visionaries under one roof. Our events are carefully curated to provide:

- Cutting-edge scientific programs with keynote lectures, plenary sessions, panel discussions, and poster presentations.
- Exceptional networking opportunities to foster partnerships, collaborations, and industry connections.
- Seamless end-to-end event experiences with professional planning, innovative formats, and global outreach.

Through our conferences, we aim to globalize research, highlight breakthroughs, and empower the scientific community to create meaningful change.

### About Vartus Group Limited

Vartus Group Conferences (VGC) was established with a vision to create a dynamic platform for global knowledge exchange, collaboration, and innovation. We focus on bringing together researchers, professors, industry leaders, scholars, and students in the fields of Medicine, Science, and Technology, encouraging the free flow of ideas that inspire discovery and progress.

### Why Choose us

We bring more than just organizational excellence—we bring value, credibility, and trust. Our expertise lies in:

- Delivering world-class conferences with international participation.
- Leveraging global networks to ensure maximum outreach and visibility.
- Providing strategic event management that balances quality, affordability, and impact.
- Offering unmatched delegate experiences with premium venues, flawless logistics, and personalized support.

With every event, we create opportunities for learning, recognition, and collaboration that extend far beyond the conference.

# ABOUT PHARMA WORLD 2026

## About Conference

With great pleasure, we extend a warm and cordial welcome to the gathering of brilliant minds and innovative thinkers at the World Congress on Pharmaceutical Sciences & Advanced Drug Delivery scheduled to take place on **April 16-17, 2026**, in the Eternal City of **Barcelona, Spain**.

**Pharma World 2026** brings together leading researchers, innovators, academicians, scientists, industry experts, and healthcare professionals to discuss emerging trends, share knowledge, foster collaboration, and explore the latest advancements, innovations in the field of Drug delivery. With participants from across the globe, Pharma World 2026 offers a unique opportunity to network, exchange ideas, and build lasting professional connections. Under the theme **"Pharmaceutical Innovations and Next-Gen Delivery Technologies: Advancing Global Healthcare,"** participants will discuss sessions that include keynote lectures, technical sessions, panel debates, interactive workshops, and poster presentations

# Conference Highlights

**Join the Pharma World 2026  
Conference to capture  
high-quality leads**

## CONFERENCE HIGHLIGHTS

- Blood Brain Barrier Targeted Therapeutics
- Translational Approaches in Cancer Drug Delivery and Immunotherapy
- Peptide/Protein Formulations and Delivery Technologies
- Nanotechnology for Drug Delivery
- AI and Digital Transformation in Pharmaceutical R&D
- Next-Generation 3D Printed Dosage Forms
- Eco-Friendly Pharmaceutical Manufacturing
- Smart Biomaterials and Polymer-Based Therapeutics
- Cutting-Edge Vaccine Formulations and Delivery
- Transdermal and Intradermal Delivery Innovations
- Advanced Carriers: Liposomes, Microspheres, and Hydrogels
- Patient-Centric and Precision Medicine Drug Development
- Ocular Pharmacology and Drug Transport
- Aerosol and Nasal Drug Delivery Systems
- Trials, Outcomes, and Case Insights in Drug Delivery
- Compliance, Safety, and Quality in Pharmaceuticals
- Pharmaceutical Preformulation Studies
- Clinical Pharmacokinetics and Pharmacodynamics
- Novel Strategies in Drug Formulation
