# WELCOME NOTE:

**Dear Attendees,** The **Surgery 2026** Organizing Committee is delighted to welcome you to the International Conference on Surgery and Anaesthesia, to be held in **Barcelona, Spain, on April 16-17, 2026**, where we will shine a spotlight on “**Innovating Surgical Practices and Enhancing Anaesthesia Care.**” We look forward to providing you with an enriching environment to present, discuss, and advance your research and clinical expertise in Surgery and Anaesthesia. Our world-class scientific program will strengthen existing knowledge while expanding awareness of cutting-edge and forward-thinking advancements in the field. The congress will take place in the vibrant city of Bangkok, one of Asia’s most dynamic global hubs. Known for its blend of modern innovation and rich cultural heritage, Bangkok offers an unforgettable experience — from its ornate temples and floating markets to its bustling city life and exquisite cuisine. Visitors can explore attractions such as the Grand Palace, Wat Arun, Chao Phraya River cruises, traditional Thai street food, luxury malls, and lively nightlife. With a unique balance of tradition and modernity, Bangkok provides an ideal backdrop for international learning, collaboration, and cultural exploration. We eagerly look forward to welcoming you to Surgery-Anaesthesia 2026 for a memorable and impactful experience. Warm regards, Organizing Committee **Surgery 2026**

With Regards **Surgery 2026**

# ABOUT US

## Goals & Objectives

- The Surgery 2026 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of surgery research.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of surgery research.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

**About the Conference** The 10th International Conference on Surgery and Anaesthesia (Surgery 2026) stands as one of the world's leading scientific gatherings dedicated to advancing surgical techniques and anaesthesia practices. This two-day global event will feature major scientific sessions, technical discussions, and sub-sessions focused on cutting-edge research, innovative developments, and the latest clinical advancements in Surgery and Anaesthesia. To foster a highly interactive and informative learning environment, this year's conference will include 15 specialized sessions, each designed to address critical issues across diverse fields of Surgery, Perioperative Care, and Anaesthesia. Participants will benefit from prestigious plenary talks, keynote presentations, invited lectures, oral sessions, and poster discussions, providing opportunities for professionals at every level to present their work. Surgery 2026 offers a unique platform to connect with leading surgeons, anaesthesiologists, researchers, academicians, clinical experts, and industry innovators from around the world. Attendees will gain valuable insights, exchange expertise, and explore practical approaches to implementing or refining clinical practices based on the latest research. Join us in shaping the future of surgical and anaesthesia care through knowledge, collaboration, and innovation at Surgery 2026.

# ABOUT SPAIN

Spain (España) is a diverse European nation on the Iberian Peninsula, known for its rich culture, history, varied landscapes (mountains, coasts, plateaus), and famous cities like Madrid (capital) and Barcelona, functioning as a parliamentary constitutional monarchy with strong regional identities. It's a major tourist destination, boasts significant UNESCO sites, is famous for tapas and football, and shares borders with Portugal, France, Andorra, and has African territories (Ceuta, Melilla).

The many and varied cultures that have gone into the making of Spain—those of the Castilians, Catalonians, Lusitanians, Galicians, Basques, Romans, Arabs, Jews, and Roma (Gypsies), among other peoples—are renowned for their varied cuisines, customs, and prolific contributions to the world's artistic heritage. The country's Roman conquerors left their language, roads, and monuments, while many of the Roman Empire's greatest rulers were Spanish, among them Trajan, Hadrian, and Marcus Aurelius.
