**AgriTech 2027**

ABOUT CONFERENCE

AgriTech 2027 is a premier international platform dedicated to bringing together researchers, academicians, agricultural scientists, industry leaders, policymakers, innovators, and sustainability experts to discuss the latest advancements and emerging challenges in agriculture, food security, and sustainable farming practices.

As the global population continues to grow and climate-related challenges intensify, the need for resilient agricultural systems and sustainable food production has never been greater.

AgriTech 2027 will serve as a dynamic forum for sharing cutting-edge research, technological innovations, and best practices that contribute to the development of sustainable agricultural ecosystems and improved food systems worldwide.

WHY ATTEND?

Learn from world-renowned experts and keynote speakers

Discover cutting-edge research and innovative technologies

Network with global professionals and industry leaders

Explore collaborations and global partnerships

Gain insights into sustainable solutions for the future of agriculture

CONFERENCE HIGHLIGHTS

- ✓ Keynote Presentations
- ✓ Scientific Sessions
- ✓ Panel Discussions
- ✓ Workshops & Tutorials
- ✓ Poster Presentations
- ✓ Industry Exhibitions
- ✓ Networking Opportunities
- ✓ Best Paper & Young Researcher Awards
- ✓ Technical Tours (Optional)

WHO SHOULD ATTEND?

Researchers & Academicians

Industrial Professionals

Agricultural Scientists

Policymakers & Government Officials

Farmers & Agri-Entrepreneurs

Students & Young Researchers

NGOs & Sustainability Experts

BE PART OF A GLOBAL MOVEMENT

**500+**

DELEGATES
from around the world

**40+**

COUNTRIES
represented

**100+**

SPEAKERS
global experts

**25+**

SESSIONS
knowledge-packed

CONFERENCE TOPICS

Explore the latest advancements, innovations and solutions shaping the future of sustainable agriculture and food systems.

15 KEY FOCUS AREAS

- 01**

Sustainable Agriculture for Global Food Security

Innovative agricultural practices that enhance productivity while preserving natural resources.
- 02**

Climate-Resilient Farming Systems

Adaptive farming strategies, resilient crop varieties, and technologies that help farmers mitigate climate related risks.
- 03**

Precision Agriculture & Smart Technologies

Digital tools, sensors, drones, and AI transforming modern agriculture for higher efficiency and sustainability.
- 04**

Sustainable Crop Production & Resource Management

Managing soil, water, nutrients and energy to optimize crop production while minimizing environmental impacts.
- 05**

Soil Health & Regenerative Agriculture

Soil conservation, carbon sequestration, regenerative techniques, and restoration of soil fertility.
- 06**

Food Security in a Changing Climate

Policy solutions and strategies to ensure stable, equitable and resilient food systems.
- 07**

Agricultural Biotechnology for Sustainable Farming

Biotechnological innovations for improved crop production, pest management and environmental sustainability.
- 08**

Water Management & Sustainable Irrigation

Efficient irrigation systems, water conservation practices and technologies for sustainable crop production.
- 09**

Integrated Pest & Disease Management

Biological control, integrated strategies and eco-friendly approaches to crop protection.
- 10**

Agroecology & Biodiversity Conservation

Agroecological practices that promote biodiversity, ecosystem health and sustainable farming.
- 11**

Digital Agriculture & Artificial Intelligence

AI, big data analytics, remote sensing and automation in modern farming systems.
- 12**

Sustainable Livestock & Integrated Farming Systems

Innovative approaches for animal production, resource recycling and environmental stewardship.
- 13**

Urban Agriculture & Controlled Environment

Vertical farming, greenhouse technologies, hydroponics and controlled environment agriculture.
- 14**

Agricultural Policy & Food Security Strategies

Policy frameworks, international cooperation and governance mechanisms for resilient food systems.
- 15**

Smallholder Farmers & Rural Development

Improving productivity, access to technology and livelihood opportunities for farming communities.

“Advancing knowledge, innovation and partnerships for a more productive, resilient and sustainable agricultural future.”

AgriTech 2027

WHY ATTEND

AGRICULTURAL FUTURE STARTS HERE

AgriTech 2027 brings together global experts, innovative technologies, and forward-thinking solutions to build a more productive, resilient, and sustainable agricultural future.

HYBRID
EVENT

TOP REASONS TO ATTEND

01

LEARN FROM GLOBAL EXPERTS

Gain insights from renowned keynote speakers and industry leaders sharing the latest research and real-world experiences.

02

DISCOVER INNOVATIVE SOLUTIONS

Explore cutting-edge technologies, smart farming tools, and sustainable practices shaping the future.

03

BUILD GLOBAL NETWORKS

Connect with researchers, professionals, policymakers, and businesses from around the world and expand your network.

04

ENHANCE YOUR KNOWLEDGE

Attend scientific sessions, workshops, and panel discussions covering key challenges and emerging trends.

05

DRIVE SUSTAINABLE IMPACT

Be part of solutions that strengthen food security, protect resources, and create a sustainable agricultural future.

06

SHOWCASE YOUR RESEARCH

Present your research through oral or poster presentations and get valuable feedback from experts.

07

RECOGNITION & AWARDS

Outstanding research and contributions will be recognized with Best Paper & Young Researcher Awards.

08

EXPLORE INDUSTRY EXHIBITIONS

Interact with leading agri-tech companies and organizations showcasing products, services, and innovations.

09

EARN CERTIFICATES

All participants will receive an official certificate of participation and presentation.

Advancing knowledge, innovation and partnerships for a more productive, resilient and sustainable agricultural future.

HYBRID
EVENT

SCIENTIFIC PROGRAM

Two days of knowledge sharing,
innovation and collaboration
for a sustainable future.

HYBRID
EVENT

DAY 1 MARCH 25, 2027

TIME	SESSION	DETAILS
08:00 – 09:00	 REGISTRATION & WELCOME COFFEE	Delegate registration and networking over refreshments.
09:00 – 09:30	 OPENING CEREMONY	Welcome address by Organizing Committee and introduction to AgriTech 2027.
09:30 – 10:30	 KEYNOTE ADDRESS	Global Perspectives on Sustainable Agriculture and Food Security.
10:30 – 11:00	 NETWORKING BREAK	Tea / Coffee Break & Networking
11:00 – 12:30	 SCIENTIFIC SESSION I	Sustainable Agriculture for Global Food Security (Invited Talks)
12:30 – 13:30	 PANEL DISCUSSION	Climate Change, Food Systems & Future Agricultural Challenges
13:30 – 14:00	 NETWORKING LUNCH	Lunch & Networking
14:30 – 16:30	 SCIENTIFIC SESSION II	Smart Farming Technologies & Precision Agriculture
16:30 – 17:00	 POSTER PRESENTATIONS	Young Researchers & Student Posters
17:00 – 17:30	 DAY 1 WRAP-UP	Summary and Highlights of Day 1

DAY 2 MARCH 26, 2027

TIME	SESSION	DETAILS
09:00 – 10:00	 KEYNOTE ADDRESS	Innovations in Agricultural Biotechnology for a Sustainable Future
10:00 – 11:30	 SCIENTIFIC SESSION III	Soil Health, Water Management & Resource Efficiency
11:30 – 12:00	 NETWORKING BREAK	Tea / Coffee Break & Networking
12:00 – 13:30	 PANEL DISCUSSION	Policy, Innovation & Investments for Sustainable Agriculture
13:30 – 14:30	 NETWORKING LUNCH	Lunch & Networking
14:30 – 16:00	 SCIENTIFIC SESSION IV	Food Security Strategies & Sustainable Farming Systems
16:00 – 16:30	 AWARDS & RECOGNITION	Best Paper & Young Researcher Awards
16:30 – 17:00	 CLOSING CEREMONY	Closing Remarks and Announcement for AgriTech 2028

AgriTech 2027

World Congress on
Agriculture, Food Security &
Sustainable Farming

REGISTRATION & PARTICIPATION

Choose the best registration option
that suits your participation.

REGISTRATION FEES

DELEGATE CATEGORY	EARLY BIRD Until Aug 25, 2026	REGULAR Aug 26 – Mar 24, 2027	ON-SITE Mar 25–26, 2027	VIRTUAL (ONLINE)
Academia / Researcher	£549	£649	£749	£249
Industry Delegate	£649	£749	£849	£299
Student Delegate*	£299	£349	£399	£149
Listener / Attendee	£449	£549	£649	£199
Accompanying Person	£199	£229	£249	–

* Valid student ID is required. Group discounts available for 3 or more delegates.

REGISTRATION INCLUDES

- Access to all scientific sessions, keynotes & panel discussions
- Conference kit, program book & abstract book
- Lunches, coffee breaks & refreshments
- Networking opportunities & exhibition access
- Certificate of participation (for all registered delegates)
- Access to recorded sessions (virtual delegates)

HOW TO REGISTER

- VISIT OUR WEBSITE**
<https://vartusconferences.com/agritech>
- CHOOSE YOUR CATEGORY**
Select the appropriate registration type
- COMPLETE PAYMENT**
Secure online payment via credit card / bank transfer
- CONFIRMATION**
Receive a confirmation email with invoice & registration details

SUSTAINABLE
AGRICULTURE

WHY EXHIBIT?

INCREASE BRAND VISIBILITY

Position your brand
in front of global
decision-makers,
researchers, and
industry leaders.

GENERATE QUALITY LEADS

Connect with potential
clients, partners, and
investors looking for
innovative solutions.

SHOWCASE INNOVATIONS

Demonstrate your
products, technologies,
and services to a
highly engaged
audience.

EXPAND GLOBAL REACH

Build new collaborations
and explore business
opportunities in
international markets.

NETWORK & COLLABORATE

Engage with experts,
policymakers, and
organizations driving
the future of
agriculture.

SPONSOR & PARTNER PACKAGES

PLATINUM SPONSOR

£7,000

- ✓ Premium exhibition space
- ✓ Logo on all event materials
- ✓ Speaking opportunity
- ✓ Full page advertisement in program book
- ✓ 6 Complimentary registrations
- ✓ Recognition during inaugural & closing

GOLD SPONSOR

£5,000

- ✓ Exhibition space
- ✓ Logo on selected materials
- ✓ Half page advertisement in program book
- ✓ 4 Complimentary registrations
- ✓ Recognition during inaugural & closing

SILVER SPONSOR

£3,000

- ✓ Exhibition space
- ✓ Logo on event website
- ✓ Quarter page advertisement in program book
- ✓ 3 Complimentary registrations
- ✓ Recognition during closing

EXHIBITOR

£1,500

- ✓ Exhibition space
- ✓ Logo on event website
- ✓ Company listing in program book
- ✓ 2 Complimentary registrations

SUPPORTING PARTNER

£750

- ✓ Logo on event website
- ✓ Company listing in program book
- ✓ 1 Complimentary registration

* Custom sponsorship packages are available. Contact us for more information.

NETWORK. CONNECT. COLLABORATE.

Agripreneurs

Agri-Business
Leaders

Policymakers &
Government Officials

Investors &
Financiers

NGOs &
Development Partners

Students &
Young Professionals

SHAPE THE FUTURE OF AGRICULTURE

Be part of meaningful conversations, discover cutting-edge
innovations, and collaborate for a sustainable tomorrow.

TOPICS COVERED

- Sustainable Agriculture Practices
- Crop Science & Technology
- Soil Health & Water Management
- Food Security & Nutrition
- Climate Change & Resilience
- Smart Farming & Digital Agriculture
- Agri-Business Management
- Supply Chain & Logistics
- Agri-Marketing & Trade
- Agri-Finance & Investments
- Policy & Regulations
- Youth in Agriculture & Entrepreneurship

“
Innovate.
Sustain.
Grow.”

DON'T MISS OUT!
